Avondale Offering | June 9th: Old school or cutting edge? Teachers demonstrating best practice reflect principles championed by Ellen White more than a century ago. This is the finding of a paper published by the Christian Education Research Centre at Avondale. Giving to Avondale demonstrates your support for the Seventh-day Adventist pioneer's explore and engage philosophy (Education, p. 17). Journey with us as we accept the challenge of learning and discovery. And as we use this knowledge to improve lives. Your donation will help our research centres give us a better understanding of Christian education, teaching and learning, health and lifestyle and spirituality and worship. Power to think and do: it's a gift from the Creator. Accept it. Use it. Support it. Avondale Offering, June 9.
