Child Safety Issue: In accordance with maintaining a Child-Safe Environment all teachers and parent helpers MUST have a current 'WORKING WITH CHILDREN CHECK'. There is no cost for a volunteer to obtain this check in NSW.

The Seventh Day Adventist Church states that all staff and volunteers in child-related roles MUST complete the WWCC online, or as required in your region, and your WWCC MUST then be verified in your local church (THIS IS A LEGAL REQUIREMENT).

Please email your WWCC number, name and date of birth to:

adsafe@alburyadventist.church

It is also strongly recommended, by the Seventh Day Adventist Church, to all Seventh Day Adventist's members, volunteering to work with Children and vulnerable adults, to undertake the 'Safe Church Awareness Training'.

'Safe Church Awareness Training' is now available online at elearning.safeplaceservices.org.au and is for all members of the SDA Church across

Australia and NZ. Created 'by Adventists for Adventists' it allows those who work with children or who hold an office in local churches to have the necessary training to empower and protect children and vulnerable adults in the comfort of your own home. All you need is internet access and a computer. If you have any questions email info@adsafe.org.au

Thank you so much for assisting with Children's Ministries in 2019. Your assistance is necessary and greatly appreciated, because without it there would be no Children's Ministries. We know that as parents, grandparents and guardians we are united in our dedication to keep our children safe.

If you would like to discuss these matters further please contact Kerelyn Arnold - Children's Ministries Leader.
