Creation Ministries: Evidence for design abounds. Even some ardent atheists acknowledge this, but they deny the need for a Designer, attributing it to 'evolution'. Modern science reveals design that 'shouts out' that God created, as the Bible says. Dr Mark Harwood will present some of this faith-affirming evidence that will astound you in A Brief, but True, History of Time at 5.00pm on Saturday 14th of September 2019.
