Visit signsofthetimes.org.au/donate to find out more about “5-Star Projects” and decide which you will support with your monthly or one-off donation. Signs is for Sharing!

Creation Ministries: Have you wondered why your witnessing falls flat and people fail to respond? Many comment that science has disproved the Bible and therefore it is not relevant to today's modern world. But what's the answer? Can the majority of scientists really be wrong? Discover the answers with Dr Mark Harwood when he brings his powerful message A Brief, but True, History of Time at 5.00pm on Saturday 14th of September 2019.
